Chief, Education Programs Division  
Directorate of Personnel Programs  
Attn: HQ USAF/DPPE  
Washington, D. C. 20330-5060

Dear Colonel Ramsey:

The Central Intelligence Agency accepts the one reserved space allocated to us for the Air War College class of 1986/87.

In reviewing our list of qualified officers for the class of 1986/87, the CIA Training Selection Board finds that it has two very promising officers it would like to send to the Air War College during the next academic year. I realize there is a large demand for quotas at the Air War College, but should one additional quota become available, it is requested that CIA be considered to fill it. Our officers who have attended the Air War College in the past have found their experiences to be rewarding and challenging.

Please let me know if you will be able to accommodate this request.

Sincerely,

Chairman  
CIA Training Selection Board
